

# Government Rules Guide for School Transportation

This guide summarizes key Government of India and State Transport Authority rules related to school transportation, designed for parents, operators, and startups like Roxer Cub.

## 1. Driver Requirements

- Valid commercial driving license (Badge)
- Minimum 5 years driving experience preferred
- Police verification mandatory
- No history of serious traffic violations
- Regular medical fitness certificate

## 2. Vehicle Safety Rules

- Valid Registration Certificate (RC)
- Fitness Certificate issued by RTO
- Valid Insurance coverage
- Speed governor installation (as mandated)
- Fire extinguisher & first-aid box mandatory

## 3. Child Safety Guidelines

- No overloading beyond permitted capacity
- Safe boarding and drop points
- Children should not sit near open doors
- Female attendant recommended for younger children

## 4. Identification & Visibility

- Vehicle should display 'School Transport' board
- Driver ID & contact details displayed
- Emergency contact numbers visible inside vehicle

## 5. Emergency & Compliance

- Emergency helpline numbers displayed
- GPS tracking recommended (mandatory in some states)
- Immediate reporting of accidents/incidents

- Periodic inspections by authorities

**Roxer Cub Commitment**

Roxer Cub aligns with and exceeds government safety regulations by integrating verified drivers, GPS tracking, SOS alerts, and continuous monitoring to ensure maximum safety for children.
